

## Safety Training Catalog

### OSHA-Authorized Training

- OSHA 10-Hour Construction

### First Aid

- Alcohol and Drug Overdose
- Animal and Human Bites and Scratches
- Automated External Defibrillator
- Bleeding Emergencies
- Broken Bones and Dislocations
- Burns
- Cardiopulmonary Resuscitation (CPR)
- Dehydration
- Diabetic Emergencies
- Eye Injuries
- Fire Ant Bites and Stings
- Flying Insect Stings
- Head Injuries and Concussions
- Head, Neck, Back, and Spine Injuries
- Heart Attacks and Cardiac Arrest
- Initial Steps
- Poisoning
- Seizures
- Shock
- Snake Bites
- Spider Bites
- Sprains and Strains
- Stroke
- Tick Bites
- Unconsciousness

### Confined Spaces

- Confined Space Entry Awareness
- Confined Space Entry – Permit Required

### Electrical Safety

- Electrical Safety General Awareness
- Arc Flash Safety
- OSHA Electrical Wiring Methods

### Environmental Safety

- Emission Controls
- Pollution Prevention Best Practices
- Stormwater Pollution Prevention
- Spill Prevention, Control, and Countermeasures

### Lockout/Tagout

- Lockout Tagout for Authorized Employees
- Lockout Tagout for Affected Employees

### Equipment Safety

- Banding Safety
- Blocking and Cribbing for Heavy Equipment
- Compressed Gas Cylinder Safety
- Power Equipment Hazard Basics
- Hand and Power Tools
- Heavy Equipment Safety Introduction
- Laser Safety
- Line-of-Fire Safety
- Machine Guarding
- Metal on Metal Safety
- Pallet Jack Safety
- Pedestrian Safety
- Pneumatic Tool Safety

### Ergonomics

- Back Injury Prevention
- Ergonomics Economics
- Ergonomics for Industrial Environments
- Ergonomics for Office Environments

### Fall Safety

- Fall Prevention and Protection – General

### Fire Safety

- Exit Routes, Emergency Action Plans, and Fire Prevention Plans
- Fire Extinguisher Safety

### PPE

- Eye and Face Protection
- Hearing Conservation
- Respirators – Voluntary Use

### General Safety

- Active Shooter Response
- Behavior-Based Safety
- Cell Phone Use in the Workplace
- Cut and Puncture Wound Prevention
- Fatigue Management
- Hand Safety
- Hot Work Safety
- Line Breaking Safety
- Lone Worker Safety
- Maintenance Safety
- Night Shift Safety
- Office Safety
- Safety Showers and Eye Washes
- Residential Safety Essentials
- Slips, Trips, and Falls
- Travel Security
- Working Over or Near Water
- Workplace Security

### Hazardous Materials

- Asbestos Awareness
- Combustible Dusts
- Commercial Explosives Safety
- Crystalline Silica Awareness
- Ethylene Oxide Safety
- Hexavalent Chromium
- Hydraulic Fluid Safety
- Irritants, Corrosives and Sensitizers
- Mold Safety and Health
- Nitrogen Safety Awareness
- Radiation Safety
- Toxic Substance Control Act (TSCA) Compliance
- Transporting Hazardous Materials
- Triethylaluminium Safety Awareness
- Turpentine Awareness
- Universal Waster Storage and Handling
- Workplace Hazardous Materials Information System (WHMIS)

### HAZWOPER

- 8-Hour HAZWOPER Refresher (No Card)
- HAZWOPER Air Monitoring
- HAZWOPER Confined Spaces
- HAZWOPER Decontamination
- HAZWOPER Emergency Response Plan
- HAZWOPER Incident Command System
- HAZWOPER Ionizing Radiation Safety
- HAZWOPER Medical Surveillance
- HAZWOPER Operations
- HAZWOPER Release Mitigation
- HAZWOPER Respirators
- HAZWOPER Risk Assessment
- HAZWOPER Safety and Health Program
- HAZWOPER Site Control
- HAZWOPER Toxicology

### Health & Illness

- Bloodborne Pathogens
- Cold Stress
- Flu Awareness
- Hand Washing and Hygiene
- Heat Stress Symptoms and Prevention
- Legionella Prevention and Control
- Worker Right to Know (RTK)
